

Derby Public Schools is offering families low-cost insurance through Trinity3. [Choose 1 or 3 year platinum coverage for your student's Chromebook.](#)

Technology Incentive Program: TIP was developed to provide additional benefits for our students, families and the district.

- **For students,** the best benefit of this program is it provides a pathway to own their well-maintained, district-issued devices.
- **For families,** a 50% rebate on the annual technology fee is available during enrollment for all families that properly maintain their district-issued devices.
- **For the school district,** the benefits include decreased costs to buy, manage and support the devices provided to our students.

Protect your investment: To protect your eligibility to enjoy the benefits of the Technology Incentive Program, take advantage of this low-cost insurance and you can rest easy knowing you will remain in the program even if accidents happen.
